

The Magistrate Judge makes only a recommendation to this Court. The recommendation has no presumptive weight. The responsibility to make a final determination remains with this Court. See *Mathews v. Weber*, 423 U.S. 261, 270-71 (1976). The Court may accept, reject, or modify, in whole or in part, the findings or recommendations made by the Magistrate Judge. 28 U.S.C. § 636(b)(1). The Court may also receive further evidence or recommit the matter to the Magistrate Judge with instructions. *Id.* The Court is charged with making a *de novo* determination of those portions of the Report to which specific objections are made.

Plaintiff was granted an extension to file objections (ECF No. 33), but no objections were filed and the time for doing so expired on October 3, 2018. In the absence of objections to the Magistrate Judge's Report, this Court is not required to provide an explanation for adopting the recommendation. See *Camby v. Davis*, 718 F.2d 198, 199 (4th Cir. 1983). Rather, "in the absence of a timely filed objection, a district court need not conduct a *de novo* review, but instead must 'only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.'" *Diamond v. Colonial Life & Acc. Ins. Co.*, 416 F.3d 310, 315 (4th Cir. 2005) (quoting Fed. R. Civ. P. 72 and advisory committee's note).

Here, because no objections have been filed, the Court has reviewed the Magistrate Judge's findings and recommendations for clear error. Finding none, the Court agrees with the Magistrate Judge that Plaintiff's claims against Defendant are subject to summary dismissal.

Accordingly, the Report and Recommendation is adopted and incorporated herein by reference, and this action is DISMISSED with prejudice.

**IT IS SO ORDERED.**

/s/Bruce Howe Hendricks  
United States District Judge

October 16, 2018  
Charleston, South Carolina
